# New Training Available!

FOR ALL COACHES AND  
ACTIVITY LEADERS

NMPSIA, in cooperation with Poms & Associates has created a new training for all coaches and activity leaders that is available to NMPSIA members, free of charge. The New Mexico Activities Association has adjusted its bylaws to reflect that this course, "Setting the Standard: Putting an End to Sexual Abuse in New Mexico Schools" does, in fact, comply with the sexual abuse misconduct training requirement for all coaches and activity leaders.
