Login Management

Our system maintains complete records of time and location of each log in and log out. Displayed is a report of the usage history.

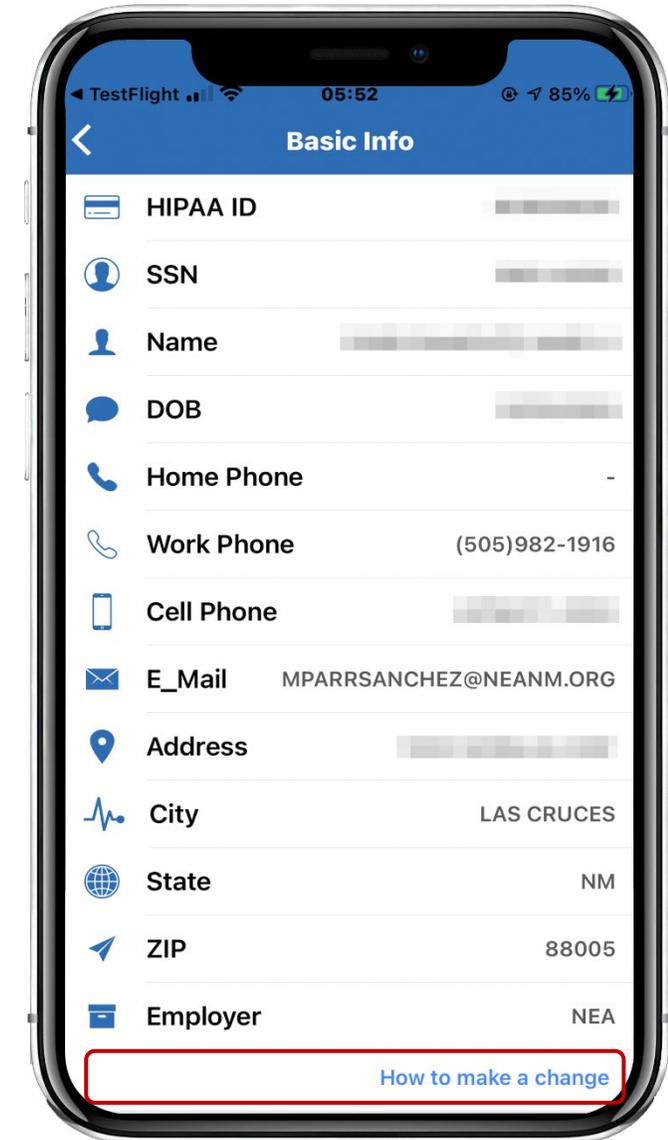

My Basic Information

Basic information of each participant is accessible by this Mobile Application. It is displayed as shown right.

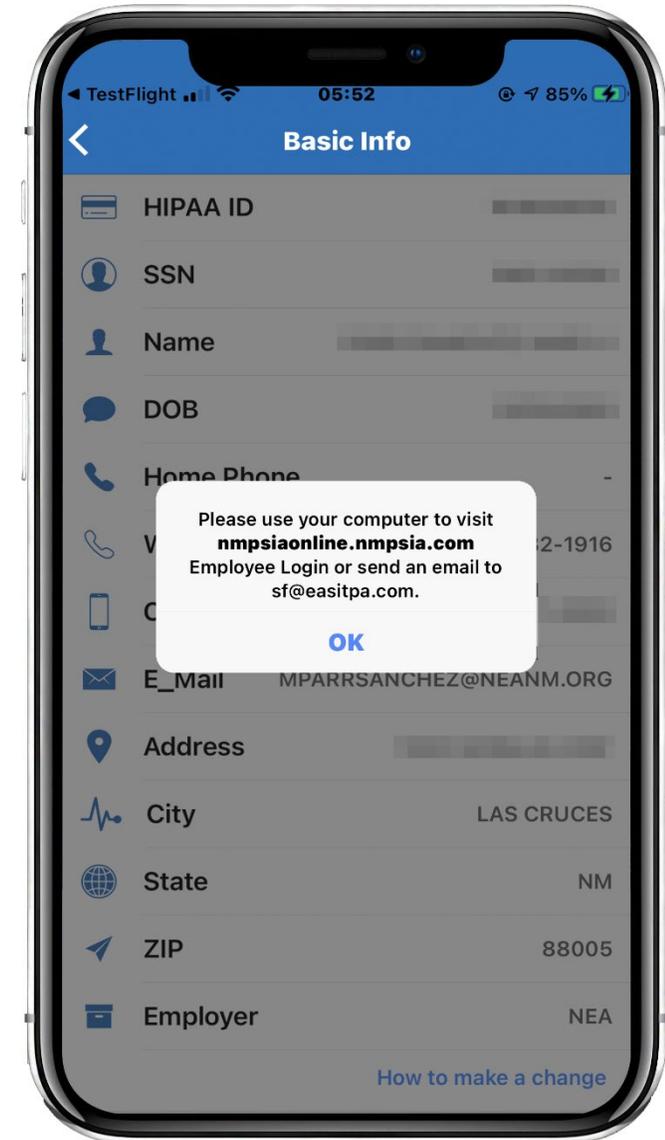

But, for security reasons, update is not permissible in order to prevent unauthorized change.

We are exploring new techniques such as facial recognition in hopes that eventually we can offer the convenience of Mobile Update.

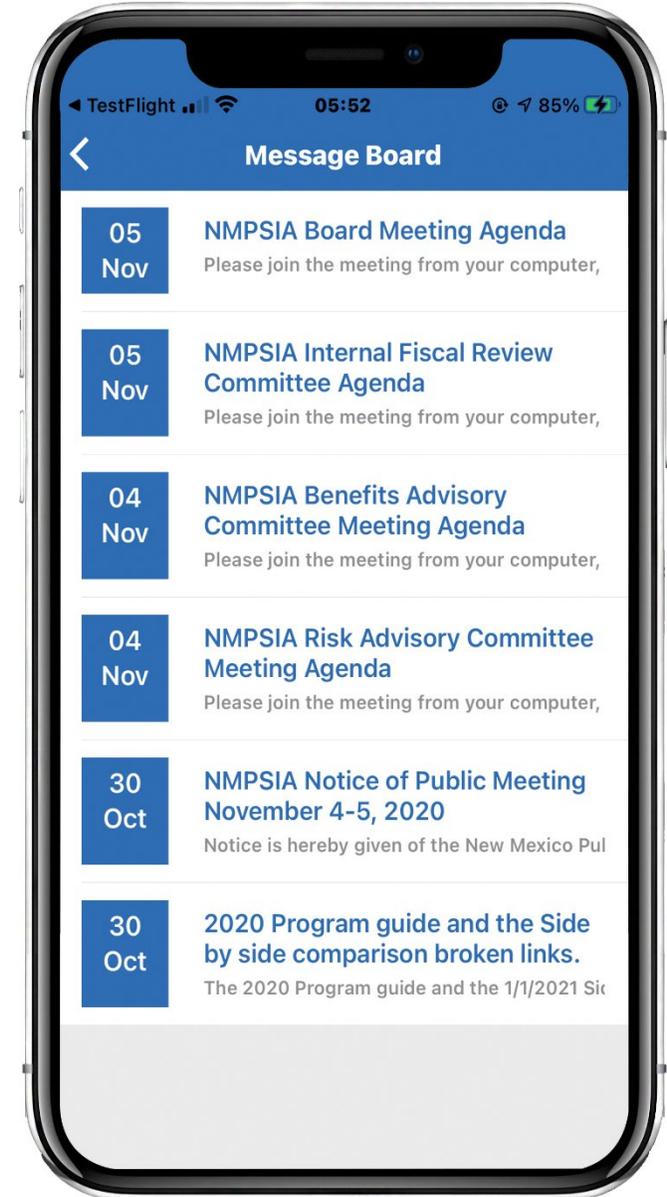

Instruction on the use of the computer to make the change is displayed as shown right.

The user is also offered the alternative to contact the Account Representative in the Administrator's office to initiate the change.

Message Board

A message board is offered to accomplish the true goal of effective communication to the participants. We are developing an intelligent “**Message Factory**” so that custom tailored information can reach a specific individual or groups of individuals.

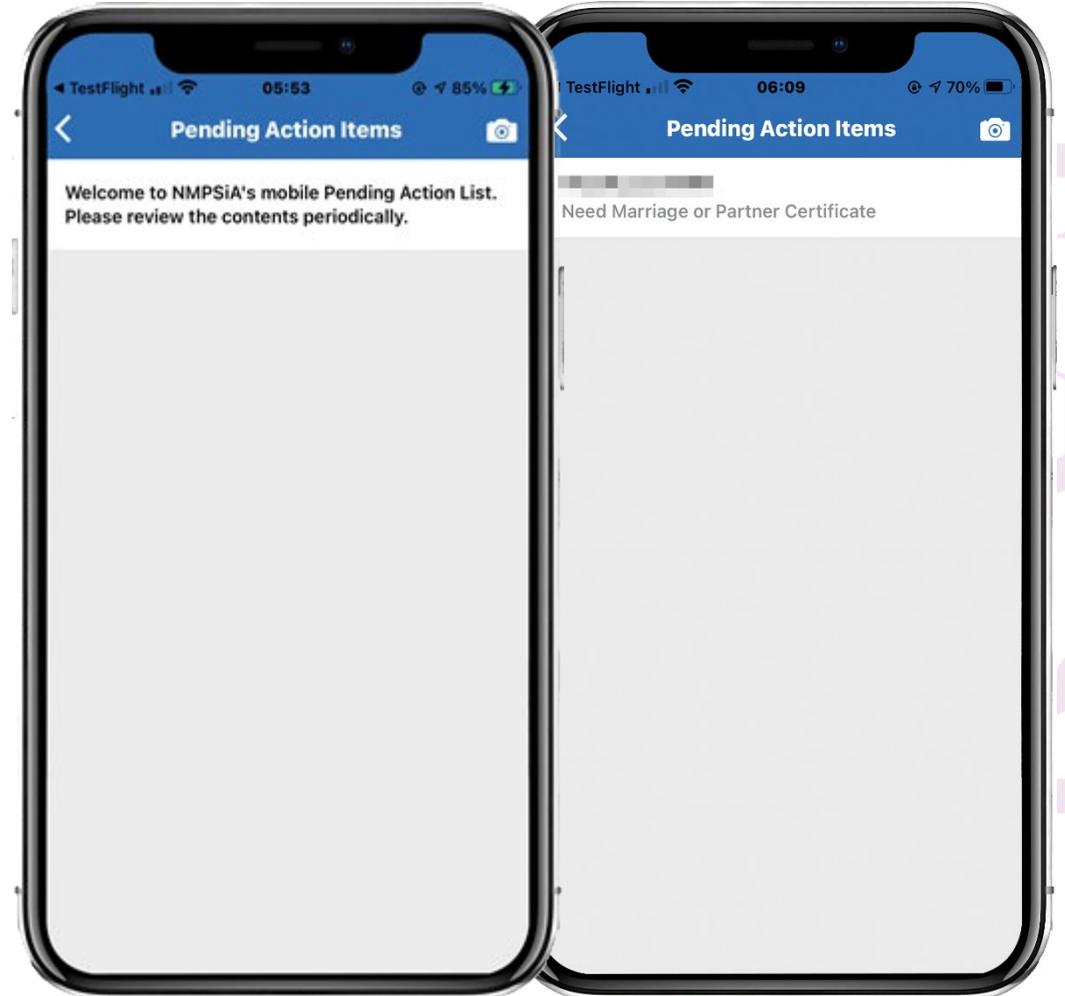

Pending Action Items

If there are pending actions requiring your attention, the message will be displayed here.

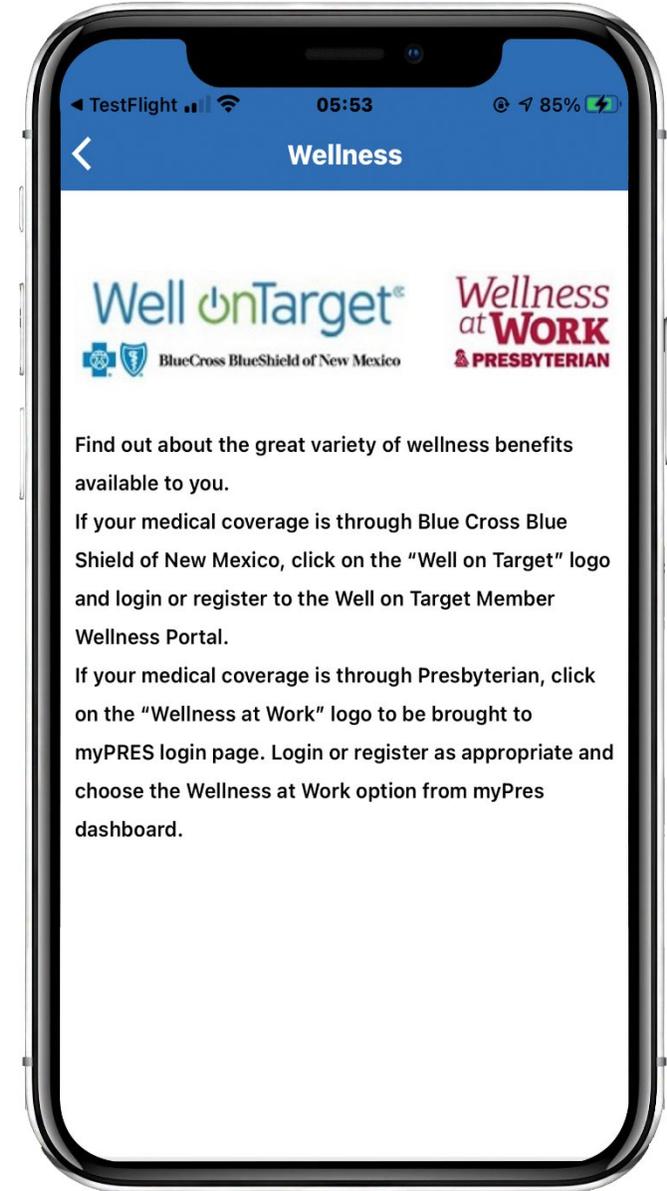

Currently, the administrative office relies on notices to communicate with you. That practice will continue. The Mobile Application just offers a convenient source of reminders.

If there are no pending items, a message will be displayed to remind you to examine this place periodically.

NMPSIA Wellness

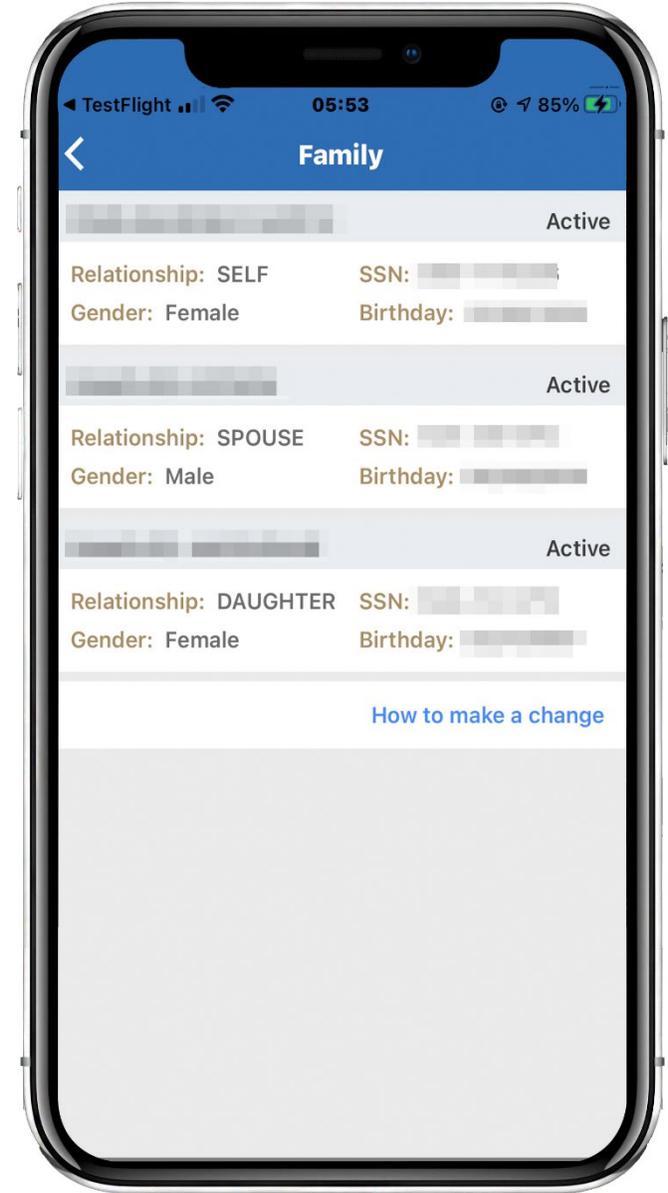

Wellness is a part of NMPSIA's basic goals to promote the well-being of our participants. Valuable information will be posted here.

My Family Information

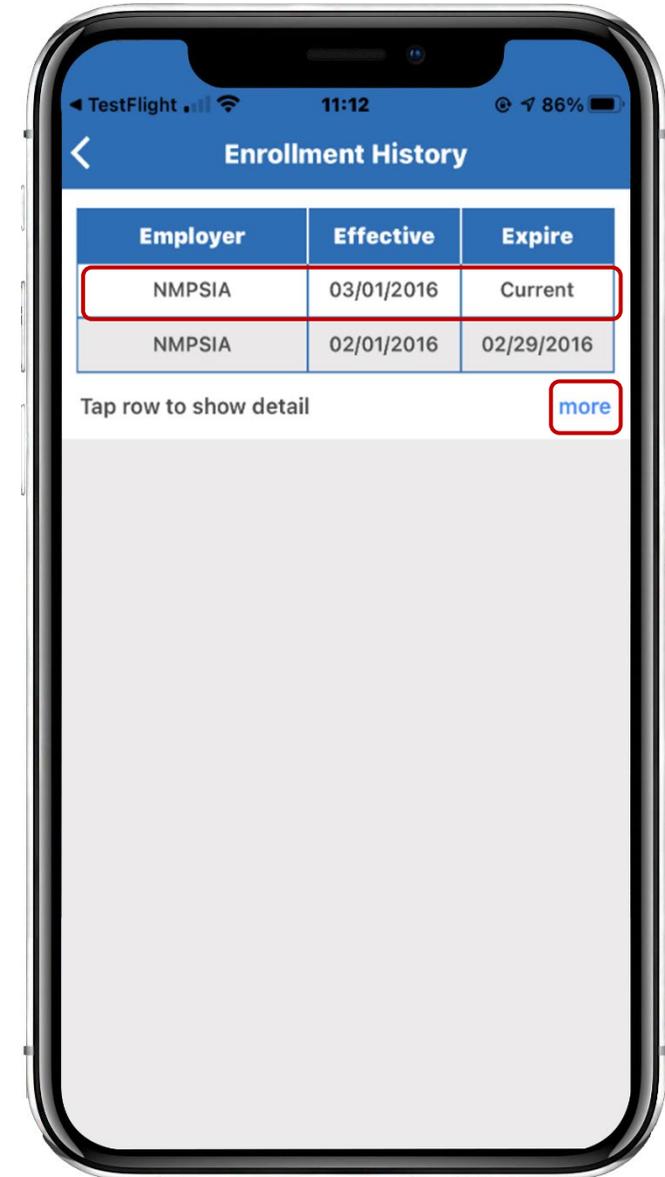

Information on your dependents will be displayed here.

Again, for security reasons, changes cannot be made using the mobile application.

My Enrollment History

Information on your enrollment since day one will be displayed below.

My Eligibility and Coverage

Your eligibility coverage is shown here. One special feature the app offers is that you can inquire about the eligibility status of a specific dependent on a specific date. The software will search your enrollment record and deliver the status to you.

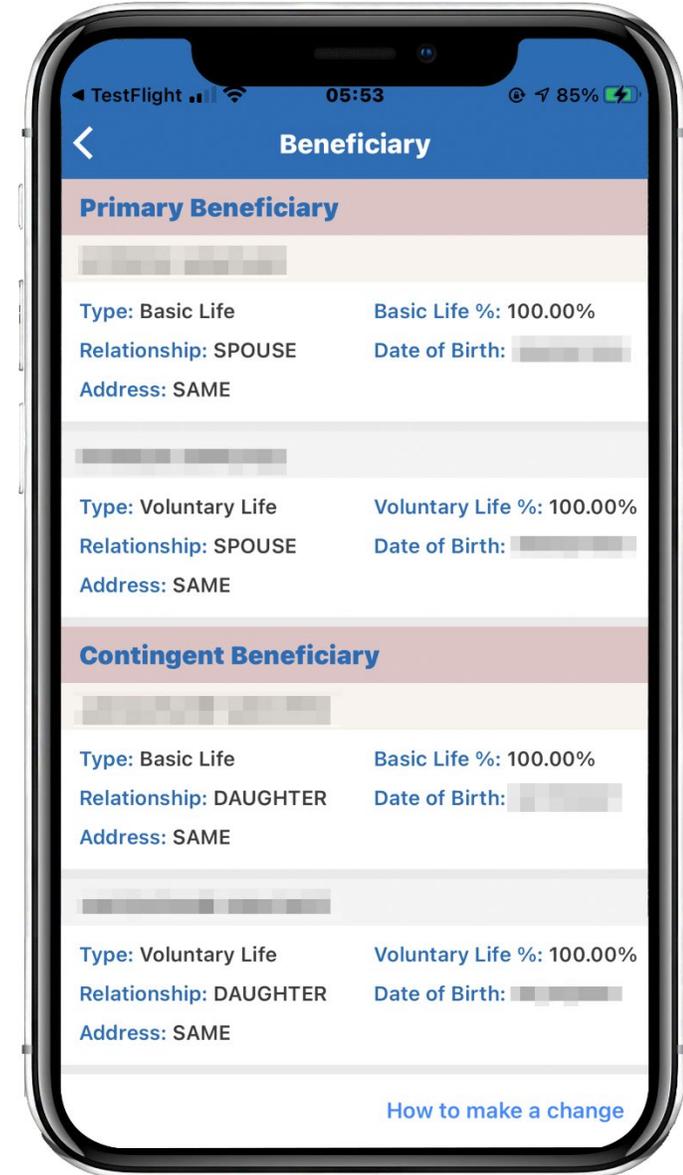

When the search of eligibility is on a specific dependent on a specific date, the app uses AI technology to do the filtering and displays the result as follows:

My Beneficiary Designation

Your beneficiary designation is shown here.
No change is permissible
through this Mobile Application.

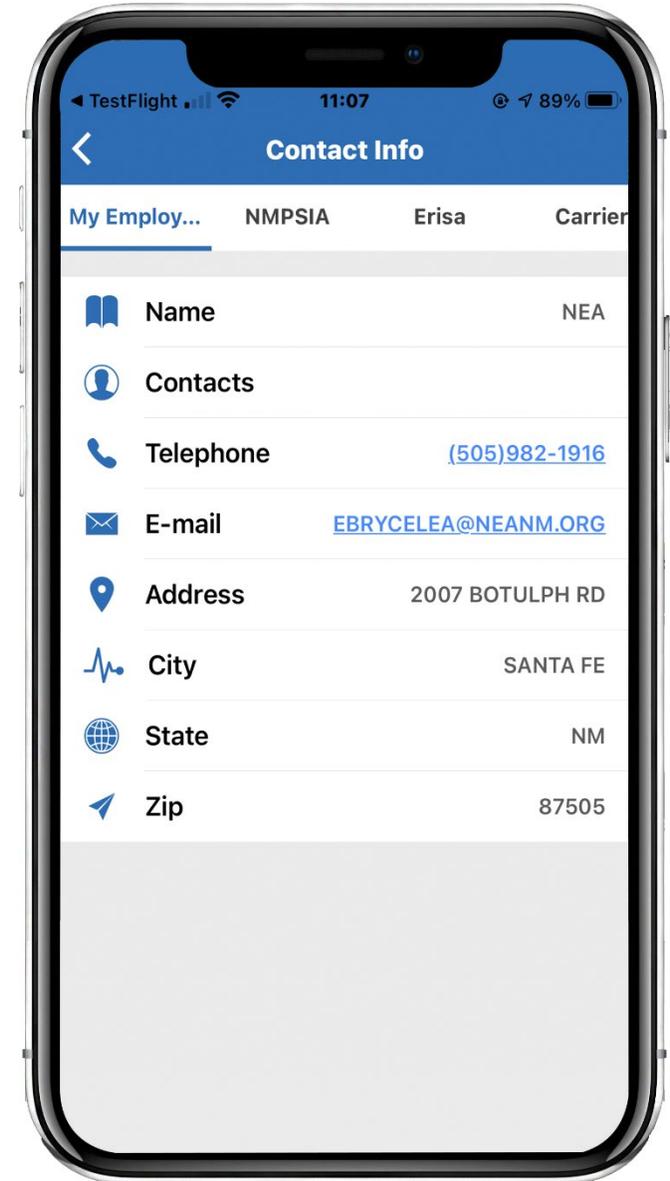

Contact Information, Feedback, & Forms

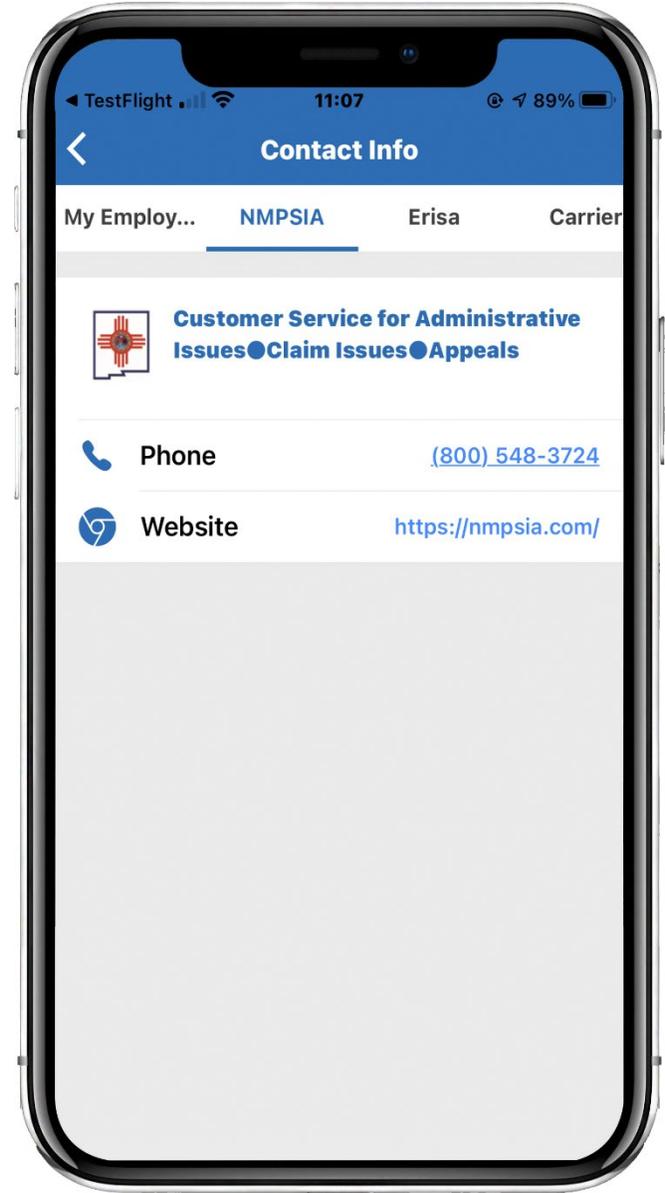

Contact information is available at your convenience. Depending upon your needs, you may wish to contact the Administrative Office, the Authority, the Carrier OR we provide a choice for you to select the category and display the relevant information for you.

The Administrative Office assigns its customer service representatives for each school district.

Depending upon your affiliation, info on the appropriate representative will be given to you.

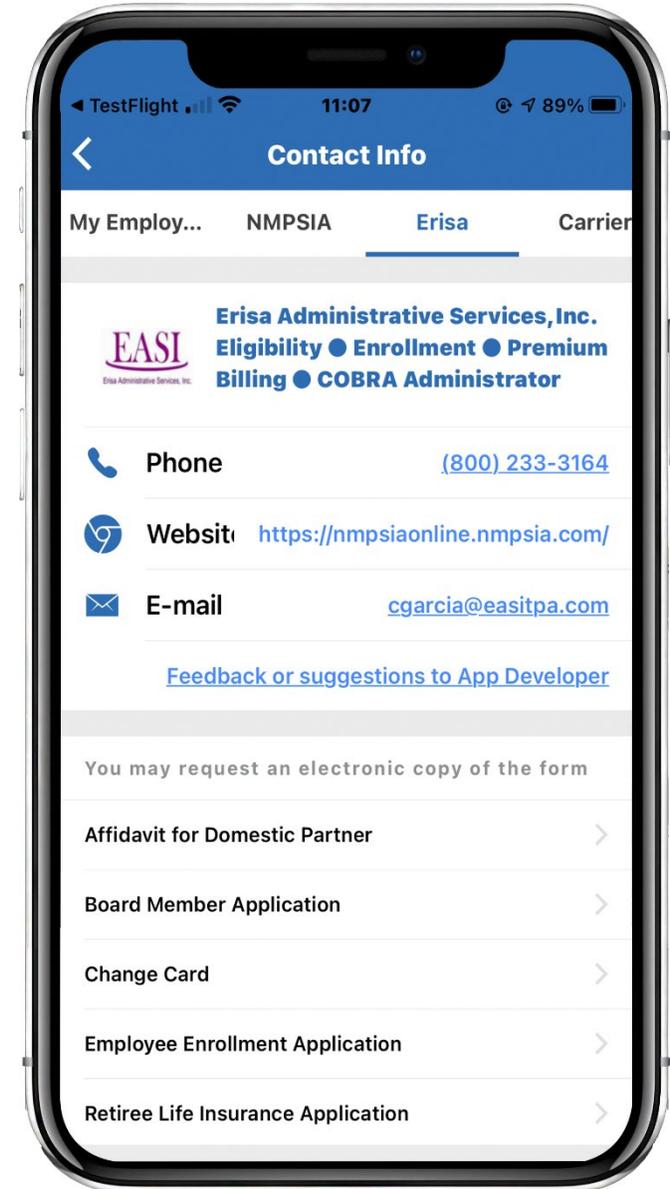

Contact at the Authority

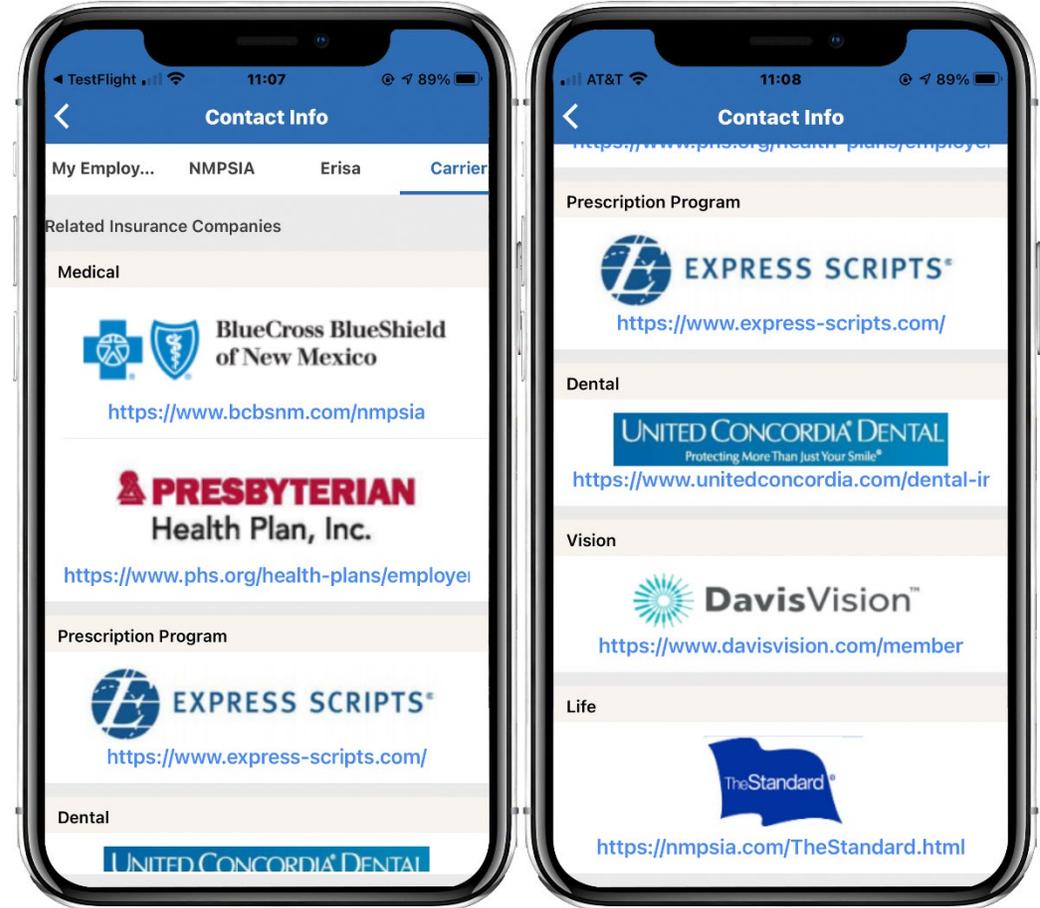

Dedicated Customer Service Rep at the Administrative Office is shown below. This Mobile Application takes the District to which the user is affiliated with and looks up the rep assigned to this District:

From this screen, you also have the option to download some of the commonly used forms. This is a very convenient feature, please take advantage of it.

Contact information for the carriers from whom you have selected to provide you the benefits are displayed. Again, it is to be emphasized that the application display only those carriers who are serving you instead of a blanket display of all the carriers who serve NMPSIA.

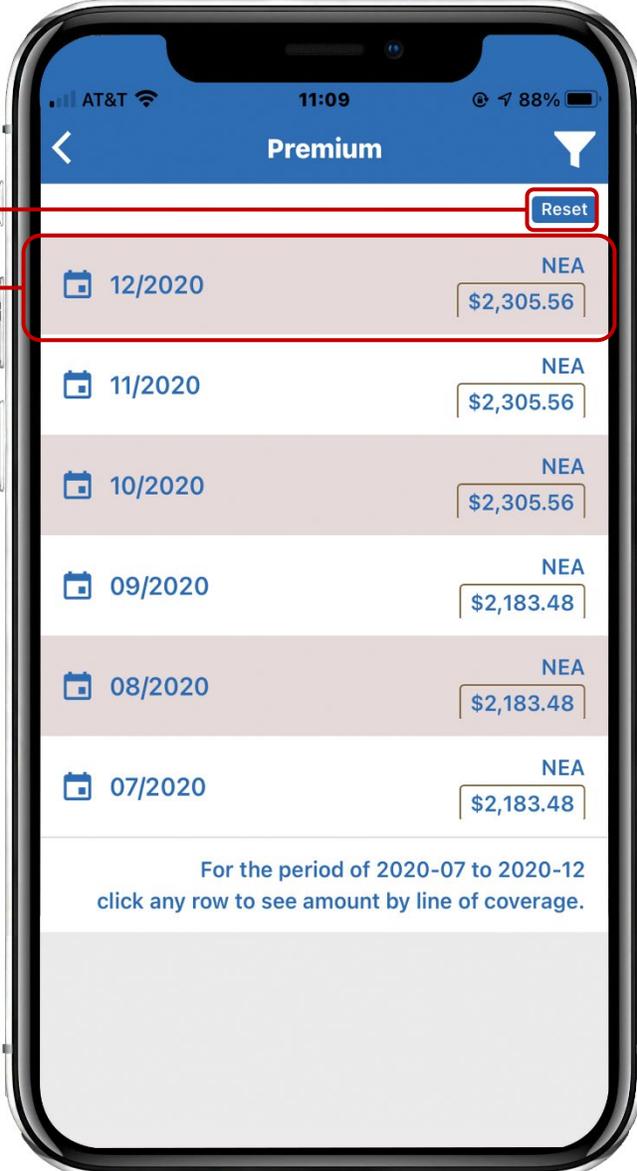

Premium Payment History

Premium payment history is one of the most important aspects of quality and accuracy verification. Right is a tabulation of premium billed and paid.

If you wish to view the activity for any other time period, just click “Reset” then specify the desired “from” and “to” dates.

If you click on any monthly entry, the details per each benefit will be shown.

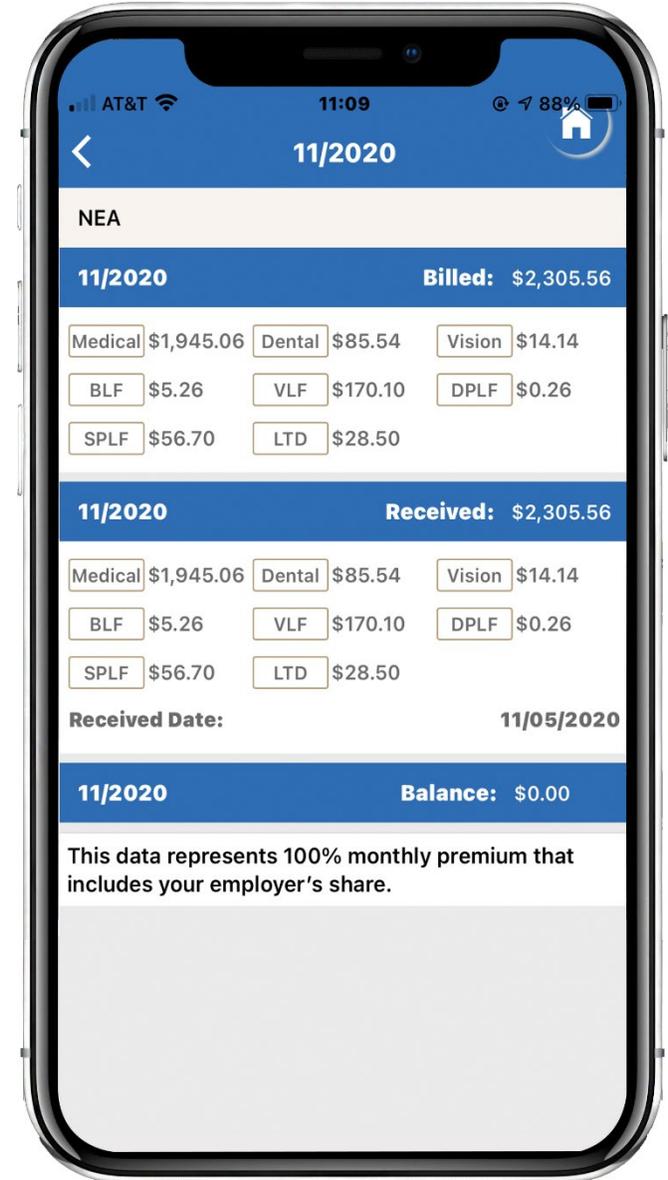

The image shows a smartphone screen displaying a 'Premium' payment history page. At the top, there is a blue header with a back arrow, the title 'Premium', and a filter icon. Below the header is a 'Reset' button. The main content is a list of monthly payments from July 2020 to December 2020. Each entry includes a calendar icon, the month/year, the amount paid, and the plan type (NEA). A red box highlights the 'Reset' button and the first entry (12/2020). A red line points from the text 'Right is a tabulation of premium billed and paid.' to the table. Another red line points from the text 'If you wish to view the activity for any other time period...' to the 'Reset' button.

Month	Amount	Plan
12/2020	\$2,305.56	NEA
11/2020	\$2,305.56	NEA
10/2020	\$2,305.56	NEA
09/2020	\$2,183.48	NEA
08/2020	\$2,183.48	NEA
07/2020	\$2,183.48	NEA

For the period of 2020-07 to 2020-12
click any row to see amount by line of coverage.

Monthly premium details are shown.
The amount includes both the employee portion
and employer portion.

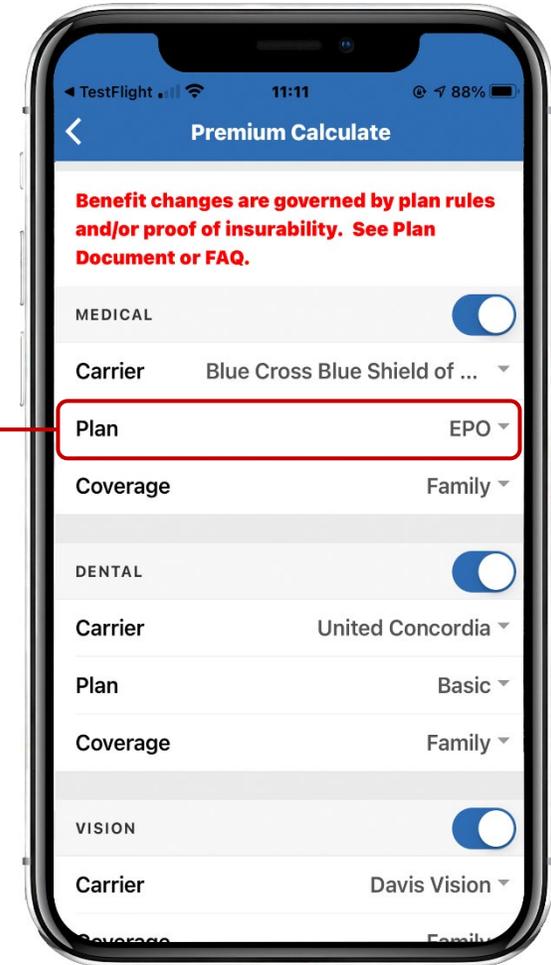

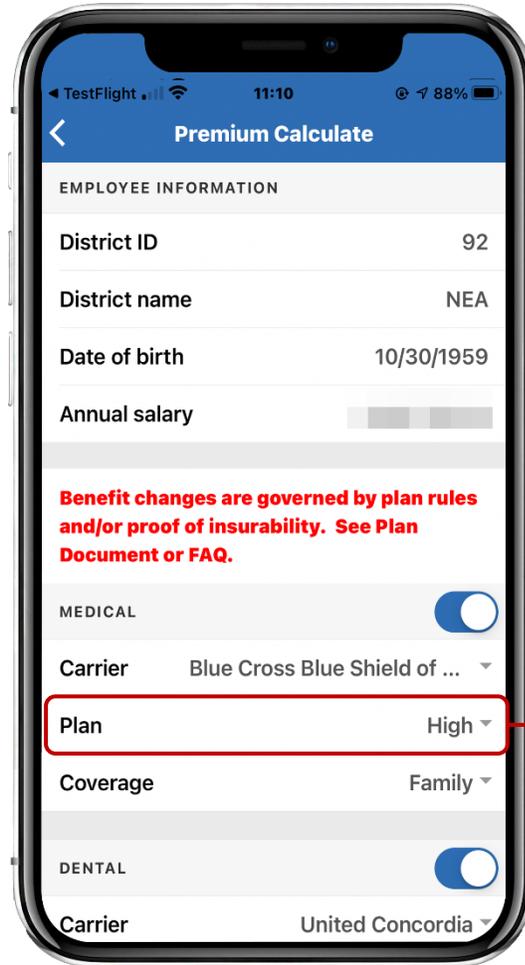

Exploring Other Benefit Options & Impact on Premium

A very important analytic tool the Mobile Application offers you is the “WHAT IF” scenario. You may change your current coverage and change it to something else and click the “Calculate” button. The effect of premium variation, whether up or down, will be tabulated.

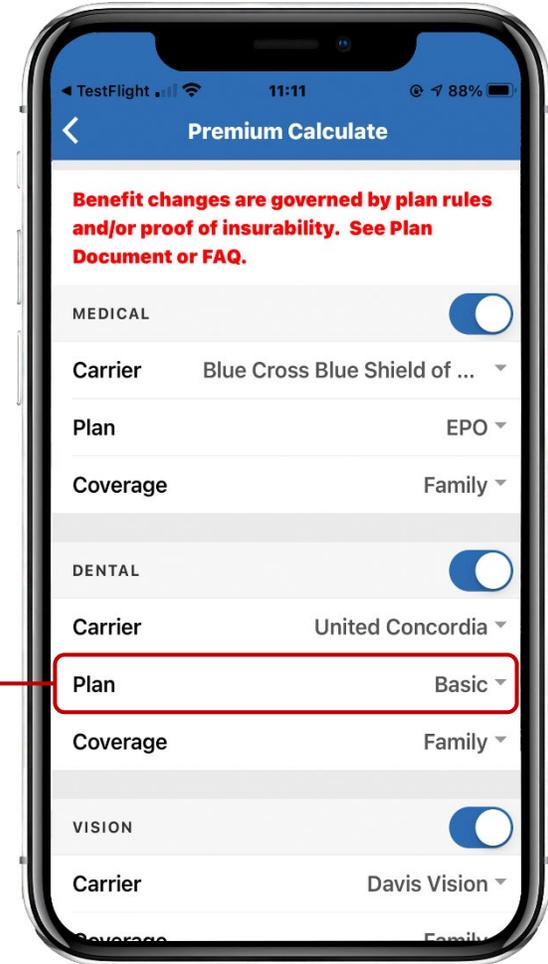

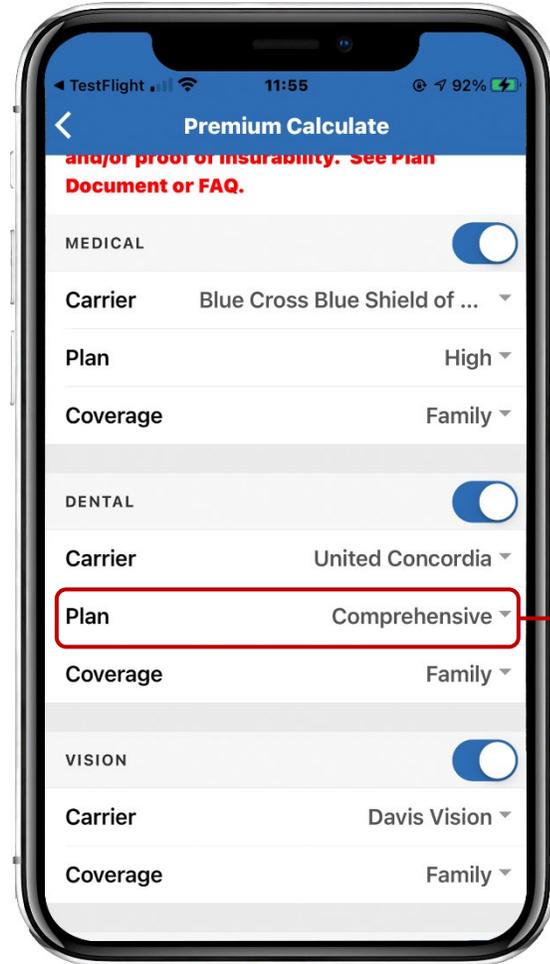

The screenshot shows the 'Premium Calculate' screen in the EASI mobile application. The screen is divided into several sections:

- EMPLOYEE INFORMATION:** District ID (92), District name (NEA), Date of birth (10/30/1959), and Annual salary (represented by a slider).
- Warning:** A red text message states: "Benefit changes are governed by plan rules and/or proof of insurability. See Plan Document or FAQ."
- MEDICAL:** A toggle switch is turned on. Below it, there are dropdown menus for Carrier (Blue Cross Blue Shield of ...), Plan (High), and Coverage (Family).
- DENTAL:** A toggle switch is turned on. Below it, there is a dropdown menu for Carrier (United Concordia).

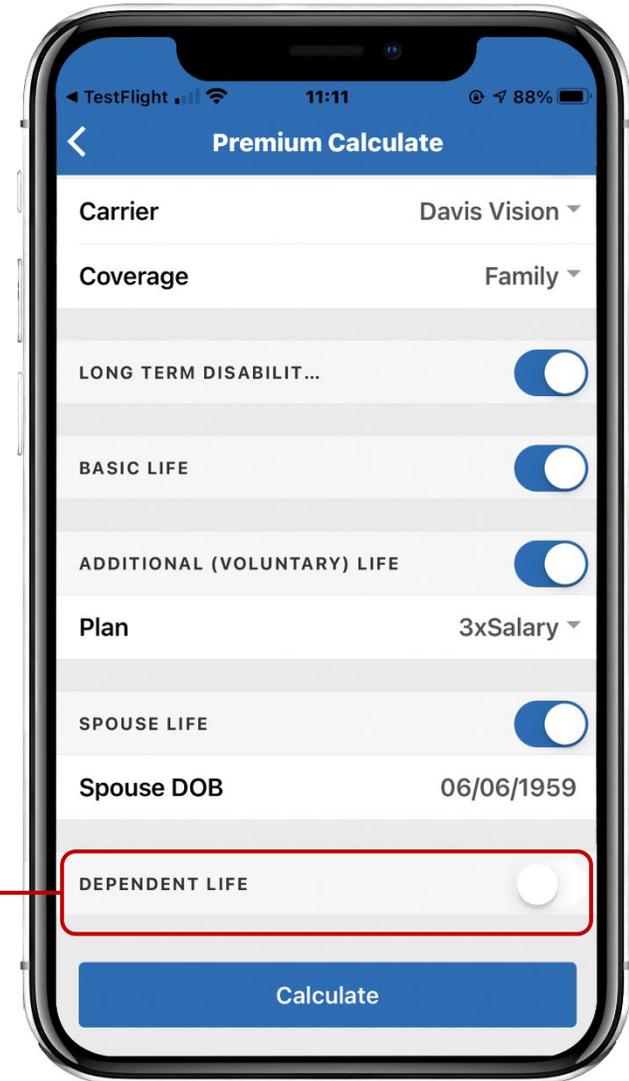

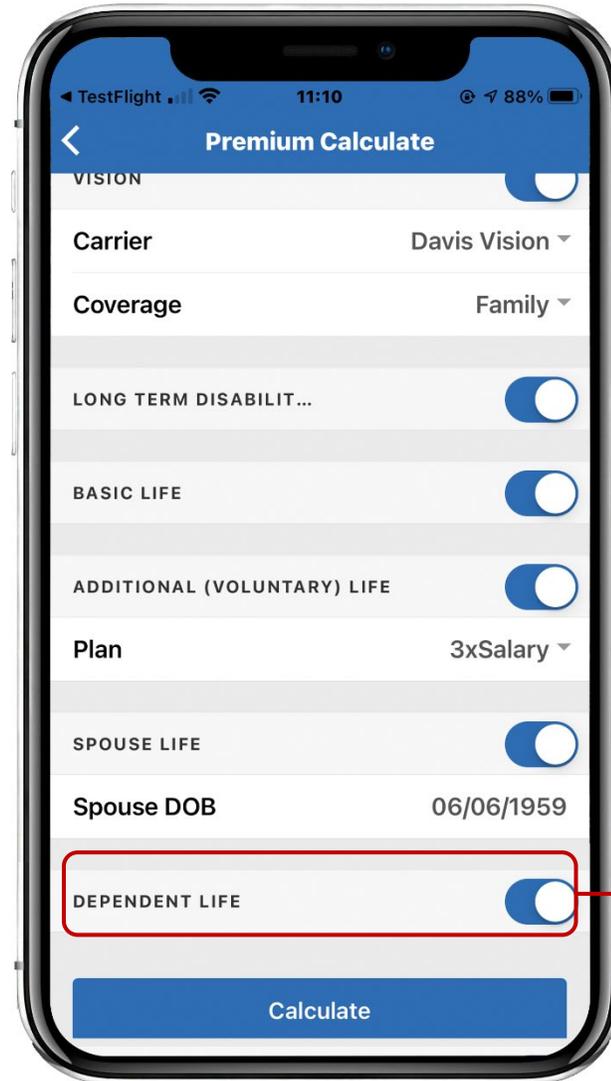

In this example, we are changing the medical Plan with Blue Cross from HIGH to EPO.

Dental Plan is changed from Comprehensive to Basic at United Concordia.

Dependent Life is being removed.
Then we click the “Calculate”
button.

The result shows that your monthly premium will see a reduction of \$142.38. Furthermore, you may save this tabulation in your Photo folder for you to do a more in-depth study at your leisure.
