

Access a diabetes program built just for you

NMPSIA is offering Omada® to help people manage diabetes with one-on-one health coaching and the tools needed to build healthy habits that stick.

The best part: the program—up to a \$1,700 value—is **no cost to you** if you're eligible and enroll.

With Omada, you'll get

-  Support from a health coach and Certified Diabetes Care and Education Specialist
-  Easy monitoring with smart devices and tools
-  AI-powered tools, like OmadaSpark, to track food and get instant, diabetes-friendly nutrition answers
-  A personalized diabetes management plan tailored to individual routines, preferences and goals

If at risk for type 2 diabetes or heart disease, or living with diabetes and high blood pressure, and eligible, NMPSIA will pay for the entire cost of the program.

\$0
 cost to you

Start with a welcome kit

Smart devices shipped to your door after enrollment—yours to keep at no extra cost.¹

-  Two continuous glucose monitor (CGM) sensors²
-  Blood glucose meter (BGM)
-  Test strips and lancets shipped as needed
-  Smart scale
